Fax: 337-856-4178

CADET CORPS

The Fire Cadet Corps was created to offer young adult men and women a wonderful opportunity to explore a career in the fire service.

Any young man or woman age 14 to 17 is able to apply for membership.

Fire Cadets receive training in:

Teamwork	Communication	Discipline
Problem Solving	Fire Suppression	Pump Operations
Hose Handling	Vehicle Extrication	Hazmat
Self Contained Breathing Apparatus	Emergency Medical	Command Strategy & Tactics

Fire Cadets are permitted to ride on YFD fire units and work with the career staff and volunteer firefighters. When Fire Cadets ride along, they participate in activities such as apparatus and station maintenance, fire safety inspections, training drills and emergency work. The ride along program gives the fire cadet a unique opportunity to respond from the fire station and observe emergencies from start to finish. Fire cadets are NOT permitted to enter a burning structure to fight a fire; however, they are valuable in crowd and traffic control, laying exterior hose lines, raising ladders and assisting in other fire ground operations. On medical calls, the cadets are allowed to assist with patient care.

The fire cadet program meets with the volunteer firefighters each Tuesday at 7PM, and twice monthly for cadet only training and activities.
